

Serbian Journal of Engineering Management

Call for Papers

Serbian Journal of Engineering Management is a scientific journal, published by the School of Engineering Management and Serbian Society of Engineering Management. The publication is dedicated to the areas of Engineering Management, Industrial Engineering, Project Management, Strategic Management, Logistics, Operations Management, Quality Control, Quality Management, Risk Management, Management in Information-Communication Technologies, Management in High Technologies, Environmental Management, Supply Chain Management, Marketing, Entrepreneurship, Human Resource Management, Financial Management, Creative Industries Management, Security Management, etc.

Journal is categorized by the Ministry of Education, Science and Technological Development of the Republic of Serbia for economics and organizational sciences. The publication has ISSN number for the print version. The journal is indexed in EBSCO databases. The publication is indexed at National Library of Serbia and Serbian Citation Index (CEON) for the purpose of bibliometric analysis (<https://scindeks.ceon.rs/journaldetails.aspx?issn=2466-4693>). The official languages of the journal are English and Serbian.

Instructions for Authors

Editorial Board is striving to maintain the highest academic standards. The submitted papers should be original and unpublished until now and shouldn't be in the process of reviewing in some other publication. The papers would be subjected to evaluation on plagiarism according to *iThenticate* program. The papers should fit the outlined academic and technical requirements.

Paper Types

Original unpublished scientific paper:

- Original scientific paper;
- Plenary lecture and paper presented at the conference;
- Review paper;
- Scientific review; discussion.

Original unpublished professional paper:

- Original paper;
- Contribution
- Book review.

Papers should be written in English.

Submitted papers must be in alignment with guidelines for authors. In case the authors did not follow these guidelines, they would be reviewed for correction. Technical guidelines can be downloaded from the following link: [Guidelines for the Preparation of Papers for Publication in the Serbian Journal of Engineering Management NEW](#)

All manuscripts are subject to *double blind review*, i.e. the process of double "blind" anonymous reviewing. The papers must not contain any references which may indicate the author(s).

Editorial board ensures that no reviewer will be contacted to review a paper from the same institution or a parent institution as an author or authors.

Paper Submission

Authors should send their papers via E-mail casopis@fim.rs in .doc or .docx format.

The application consists of two separate attachments:

- Attachment 1, which contains the following data: the title of paper, author's name (without professional title), institution and address (email, postal address, phone number), as well as the asterisk next to the author in charge of correspondence;
- Attachment 2, which contains the paper with the following elements: paper title, abstracts, key words, the research part of the paper, tables, graphs, references and attachments.

Authors, who pass the *double blind* anonymous review, will receive the acceptance letter and a document titled Author's Statement of Originality, which should be filled in, undersigned, scanned and sent to the e-mail: casopis@fim.rs. For the purpose of UDC classification, the authors of accepted articles should provide their year of birth. Each published article receives digital identification number (doi).

Paper content

All papers should contain: introduction, which elaborates on the aim and subject of the research, main hypothesis, work methods and paper structure; middle part of the paper where research is outlined (it is further divided into sub-headings) and conclusion, which represents summed up results and implications for further research.

Author's rights

After accepting the paper and signing up the Author's Statement of Originality, the authors sign the statement according to the Author's Rights of the Journal.

Author's editions

Authors of published papers will receive the print version of the paper for their personal usage.

Paper submissions

Papers should be submitted via E-mail: casopis@fm.rs.

Fees

Currently, there is not an APC or any other fee requested from the authors.
